

# **EMC EUROPE 2023**

International Symposium and Exhibition  
on Electromagnetic Compatibility

**Kraków, 4-8 September 2023,  
Poland, Qubus Hotel**

**CALL FOR EXHIBITORS  
AND SPONSORS**

## **EMC WEEK IN KRAKÓW, POLAND**

Organizers of the leading International Symposium on electromagnetic compatibility in Europe are very pleased to invite you to participate as an exhibitor and/or Sponsor at EMC Europe 2023 Symposium.

EMC Europe is the meeting place for people working not only theoretically but also practically in the field of electromagnetic compatibility. EMC Europe is organized every year in one prominent city in Europe. In 2023 we invite you for EMC Europe 2023 to Krakow in Poland.

The Symposium is composed of 5-days with oral and poster presentations, workshops, tutorials, special sessions, short-courses,

industrial forum and technical exhibition (3 days, September 5-7, 2023) as well as meetings and other accompanying events. During the conference the IEEE EMC Society is organizing "IEEE Senior Member Elevation Event" and IEEE EMC Society Poland Chapter is organizing "EMC Marathon at EMC Europe" and "IEEE EMC Society Chapters Meeting".

The exhibition together with the conference gives a unique platform for doing business, making important contacts and meeting the people around the World involved in EMC. Welcome to occupy a prominent place on the exhibition and become the sponsor of the EMC Europe 2023.

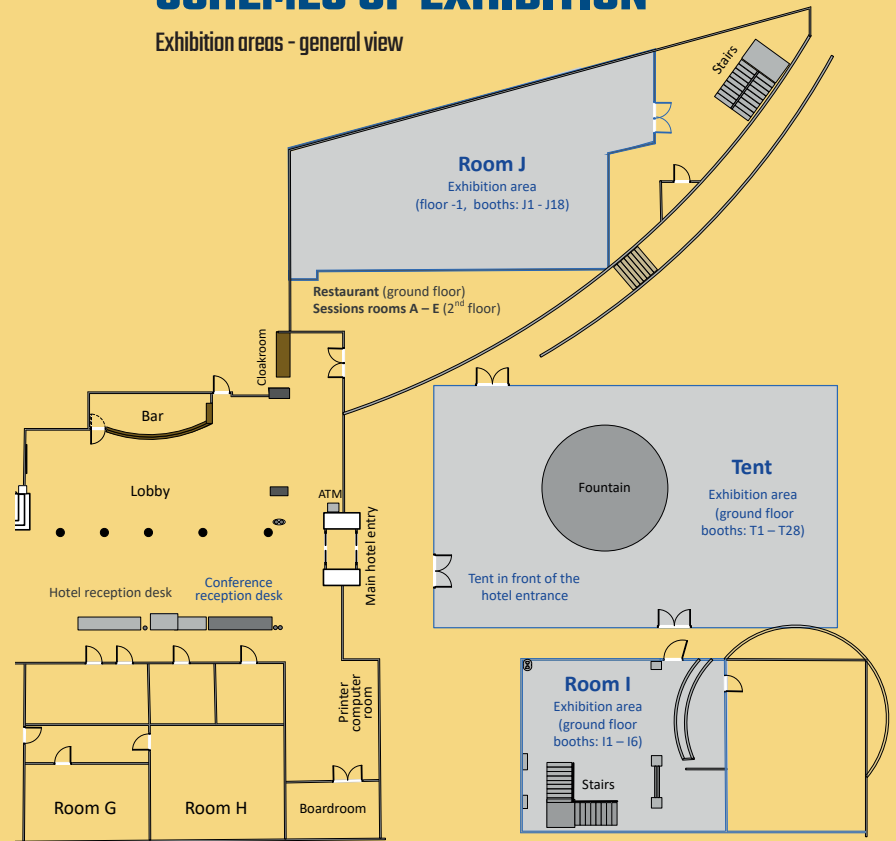

## EXHIBITION

The technical exhibition will be held from 9 AM on Tuesday, September 5, 2023, to 4 PM on Thursday, September 7, 2023. The technical exhibition will take place in selected rooms of the conference venue (the Qubus Hotel\*\*\*\* in Krakow) and in the tent, which will be set up at the courtyard of the conference venue, opposite the main entrance. The direct access from the conference rooms will be provided to ensure that the delegates have every opportunity to visit the exhibition. The coffee stations will be organized at each exhibition location. Following locations and booths are available for technical exhibition:

- **Room I** (called also Club room) located at ground floor of the hotel building complex - available are up to 6 booths marked from I1 to I6,
- **Room J** (called also Jazz room) located at -1st floor of the hotel building complex (under the restaurant, with direct access from restaurant as well as the courtyard of the hotel complex) -- available up to 18 booths marked from J1 to J18,
- **Exhibition Tent** located at the courtyard of the hotel building complex (opposite the main hotel entrance) - available are up to 28 booths marked from T1 to T28.

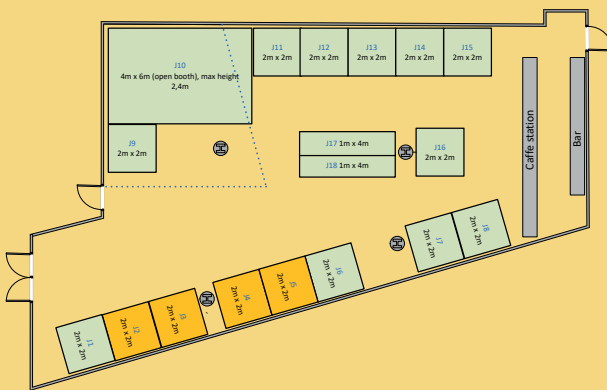

## SCHEMES OF EXHIBITION

## **SPONSORSHIP**

It is possible to take advantage of many sponsorship opportunities. Some proposals of sponsorship packages for EMC Europe 2023 are presented below, but other forms of sponsorship (i.e. technical, financial, media) to promote the conference and/or increase its quality is very welcome.

Available sponsorship packages and additional information can be found by visiting <https://emceurope2023.org/sponsors-and-sponsorship>.

Any other types of sponsorship are possible as sponsorship of the Conference Cocktail and/or the Banquet as well as additional services and changes of sponsorship are welcome, but have to be negotiated with the organizers.

To become a conference Sponsor please contact dr Jaroslaw Janiszewski ([sponsorship@emceurope2023.org](mailto:sponsorship@emceurope2023.org))
